

2011 SUMMER CAMP

Master Kim's Taekwondo Institute offers a fun summer program for children. Children of grade school age may participate. An exciting taekwondo class will be offered each day. Weekly field trips with limo service are a blast. Crafts, coloring and drawing time will be offered daily. Friday pizza parties and movies are always a hit. All children will participate in our Summer Character Reward Program. Each day children will earn points for demonstrating good character. At the end of the week children are allowed to redeem points for prizes. Let your children do something fun this summer with the instructors you trust.
